

Everythings gonna be forgotten  
*(words and music Lee Maddeford)*

Everythings gonna be forgotten  
Nothing that is here will last  
Yes everything that ever happens  
Will slowly fade into the past

And i know it's such a sad old feeling  
When time hangs on the wall  
Like a picture that is fading  
And love forgets to call

And i know that you are lonely now  
I can see it in your eyes  
Yes i can see it in your eyes

But in this life we're just drifting on a river  
You know the current's running free  
But all that's past along that river  
Changes if you look towards the sea
