

save your money

save your money save your time
save your soul babe save your dimes
cause people are cruel babe
they'll hurt you for nothing
the smallest little detail and they'll
take advantage of something
but you, you, yes you can trust in me

so put your money in my bank
put your time on my table
put your soul in my hands dear
and give me all your dimes
cause people are cruel babe
they'll hurt you for nothing
the smallest little detail and they'll
take advantage of something
but you, you, yes you can trust in me

you know I do the dishes for you darlin'
even before you get home
and the bars I got to are the best bars in town
the horses I pick
well they don't always win
but I try hard
there's something about us babe yeah we're bound
there's something about us babe yeah we're bound
