

## Song for Madeleine

Coffee mornings and wine afternoons  
Sitting in a dim cafe  
Conversations that stir the moon  
With friends that pass the time of day

Ancient lovers and ancient pains  
Fly away on subtle wings  
And ancient problems blow away with the winds  
And promises as rich as kings

Coffee mornings and wine afternoons  
Sitting in a dim cafe  
These are memories i have of you  
Memories that will never go away
